

Southern Region FAASTeam CFI Special Emphasis Program

This seminar is designed specifically for Flight Instructors and Students, and focuses on teaching proper techniques for operating in Controlled Airspace and Towered Airports. We will also address the specifics of Airspace Incursions, and Airport / Runway Incursions. Poor planning, unfamiliarity, high workloads, complexity, student activity, and technology are some of the main reasons for pilot deviations. Special Emphasis will be placed on Situational Awareness and Single Pilot Resource Management.

Directions: From Interstate 4, Take Exit 25 - County Line Road. Proceed South Approximately 3.5 Miles, then Turn left onto Medulla Road. Proceed East 1.6 Miles, enter gate at Florida Air Museum and continue straight to Sun N Fun Drive. Turn left on SnF Drive and continue .2 Miles to FAASTeam building on left .
